

You've talked the talk, now
"WALK THE WALK"!

The 1st Annual PCWA Walkathon

Looking for a way to be a part of
Earth Day's 40th Anniversary?

Why not join us for "Walk the Walk", a 5
mile walk through the Pompeston
Creek Watershed from Pompeston Park in
Moorestown to Riverton Memorial Park!
By being a walker, donor or sponsor, you
will be helping the Pompeston Creek
Watershed Association in its mission to
promote the restoration and conservation
of the natural resources of the
Pompeston Creek watershed; to protect
and conserve animal life, forests and other
plant life, water sources and soils through
education, scientific investigations
and research.
